

Periodically, the South Youth Center produces merchandiser ads, brochures, newsletters, web pages, and the like. In the production of these items, we like to include photos of the youth who attend the center. At times it is difficult to receive prompt parent response or to contact parents of all students involved. If you are willing to allow us to use your child's photo in these types of publications or promotions, please indicate that approval by completing the form below.

*If you have any questions, please call me.
If at any time you wish to rescind this permission, please contact us:*

Jenne Jones, Youth Center Director
(717) 487-7523
